EDUCATION

San Francisco State University, College of Ethnic Studies, San Francisco, CA
2026 M.A., Asian American Studies

Chapman University, Donna Ford Attallah School of Educational Studies, Orange, CA
2024 B.A., Integrated Educational Studies, Honors and Sociology Minors
Magna Cum Laude, Presidential Merit Scholarship, Provost's List

RESEARCH AND TEACHING INTERESTS

Filipino/a/x Studies, Critical Race Theory (specifically AsianCrit and FilCrit), First-Generation College Student Populations, Family Engagement Practices, Post-secondary Access and Success

SELECTED CURRENT PROJECTS

Exploring the (UN)Well-Being of Pin[a/x]ys in Higher Education Critical and Analytical Autoethnography of a Filipina American College Student: This qualitative interview study exploring how and why Pin[a/x]ys have high rates of suicidal ideations and attempts in higher education spaces.

Exploring Asian American Neurodiversity: The present study aims to explore the impacts of the model minority myth in Autism Spectrum Disorder and ADHD diagnosis. By queering the diagnostic process, the study offers insight into what Asian American neurodiversity can look like.

PUBLICATIONS

2025 **Dayrit, M.** & Cuevas, S. *"Because I built that trust:" College access professionals utilizing funds of knowledge to support the families of prospective first-generation college students.* Manuscript upcoming publication in *The Harvard Educational Review* Fall 2025 issue.

Dayrit, M. (In Progress). A critical and analytical autoethnography of a Filipina American college student. Preparing for submission to *TBD*.

Dayrit, M. (In Progress). Filipino/a/x Americans navigating predominantly white campus climates. Preparing for submission to the *TBD*.
